COMMITTEE AS A WHOLE MEETING MINUTES June 14, 2022

Mayor Smallwood called the meeting to order at 7:00 pm at Village Hall. Trustees Becherer, Elbe, Henning, Mourey, and Hopkins were in attendance. Also present was Engineer Scott Saeger and members of the Complete Streets Committee. Trustee Rogers was absent.

WATER TOWER – Engineer Saeger presented pricing from Maguire Iron and Suez for work and maintenance on the water tower. It was determined to put this out for bids. It was asked if we should spend the money now and get the water tower cleaned.

LIQUOR LICENSES – It was agreed to add 3 additional Class A Tavern liquor licenses to the allowable licenses.

HY-DAC PROPERTY – Engineer Saeger composed a letter with all the Ordinance violations for Hy-Dac. It was delivered to Dave Stellhorn at Hy-Dac. He responded that he would talk with his lawyer. Attorney Durso requested us to follow up by sending our standardized Notice from the Police Department to Hy-Dac.

EAST WEST GATEWAY GRANT-TRANSPORTATION ALTERNATIVES PROGRAM – Members of the Complete Streets Committee spoke in support of the Village applying for this grant. Engineer Saeger reported that we will receive a budget report from Gonzalez in July and once we receive this, we will use this information to complete the grant application.

Trustee Hopkins made a motion which was seconded by Trustee Elbe to adjourn. All were in favor. Motion was granted. Meeting adjourned at 8:35 pm.
